## Young McElhenny Is Top Senior

George McElhenny, valedictorian of the Pahokee High School Class of 1959, topped his classmates in the number of awards received for outstanding achievements at the annual Class Night program presented by the Senior Class in the high school auditorium. George not only received a medal for being the best Senior student in mathematics but the most versatile Senior in school activities.

Two awards each were won by Willie Veal, agriculture and best all-round Senior boy; Kenneth McIntosh, English and Spanish; Nancy Thomas, home economics and best all-round Senior girl; and Wyatt Folds, science and best Senior boy in citizenship.

Mary Harriett McIlwain received the salutatorian medal for having the second highest scholastic average. Jean Kay Friend was awarded for being the best Senior student in commercial studies; Warren Repper, best in history; Alva Early, best boy in athletics; Geraldine Upthegrove, best girl in athletics; Glenda Faye Russum, most versatile girl in school activities; and Cynthia Friend, best girl in citizenship.

In addition to the special achievement awards Seniors who are in the PHS Band and the Glee Club were presented with medals. Band awards were received Glenda Faye Russum, Jean Brown, Cynthia Friend, Nancy Thomas, Judy Buchanan, Joanne Darden, Shirley Kincaid, Mary Harriett McIlwain, Judith Platt, Richard Hardaway and Kenneth McIntosh; Glee Club awards, by Donald Clifton, Larry Elliott, Betty Elliott, Jean Kay Friend, Wayne Anderson, Donna Davis, Dorothy Ezzell and Tommy Faye Miller.

Prior to the presentation of the awards by Principal Brooks Henderson the Seniors presented "Showboat," a sprightly entertainment with all members of the class participating, during which the Class History, Last Will and Testament, Prophecy and Superlatives were read.

## Funeral Services William Guthrie

Funeral services for William R. Guthrie, 58, 3166 N. W. 28th St., Miami were held at the Pahokee First Baptist Church Thursday at 2 p. m., with the Rev. James E. Boyd, pastor, officiating.

Mr. Guthrie, a former resident of Pahokee, died unexpectedly in Miami Saturday afternoon following a heart attack. He was a master cabinet maker by trade.

Survivors include his wife, Helen, of Miami; two sons, William R. Jr., of Sherman, Texas, and Mickey of Miami; three daughters, Mrs. Dolores Crowder of Fort Valley, Ga., Mrs. Billie May and Mrs. Donna Lee Sacks, both of Miami; parents, Mr. and Mrs. I. S. Guthrie of Pahokee; three brothers, Leon of Pahokee, Norwood and J. W. Guthrie, both of Miami; one sister, Mrs. Olive Chancellor of Pahokee, and six grandchildren.

Burial was at the Port Mayaca Cemetery, Williams-Wetherington Funeral Home was in charge of arrangements.

## Put Points Down Way To Plant Corn

"Orientation planting" is the latest thing in corn production. It has topped yields from random-planted plots.

Stated simply, explains the June issue of Florida Grower and Rancher, "orientation planting" is the planting of corn kernels with their points down and flat sides running with the row. This takes advantage of the natural growth habit of corn leaves.

Each plant in "oriented" plots gets more moisture and sun because the plant grows with leaves in a fan-like formation across the row. Although this is still experimental, results to date have been good. How to do it efficiently is the problem.

## Awards Given To Canal Pt. Students

The annual Award Day program at the Canal Point School was held in the school auditorium during the assembly period Monday morning when Principal W. W. White presented awards to students for various achievements accomplished during the past school year.

Spelling awards were presented to Eloise Elliott, seventh grade, first place; Fred McKee, sixth grade, second place. History awards were won by Amy Roell Young, eighth grade and Van Wilson, fifth grade. David Kautz received an award for his essay on "Soil Conservation."

4-H Club certificates were received by Hazel Sheppard, Lyndell Chastain and Faye Elliott. 4-H Club certificates with one-year pins, signifying the completion of three projects during the school year, were presented to Eloise Elliott, Charlotte Craton, Sharon Johnson, Rita Haggins, Nancy Harrington and Josephine Young. Rita Haggins, in addition, received a 4-H County Project Award for her outstanding recreation and food preparation projects.

The Teenage Book Club Awards, which go to students who read and make reports on the largest number of a list of selected books, were won by Gail Sears, 75 books, first place, and Joyce Sims, 68 books, second.

Special recognition was given to the Eighth Grade group for its contribution of \$18 to the Care Fund last February.

Certificates for perfect attendance during the entire school year were presented to Charles Miller, 1st grade; Dale Erickson and Ross Harrington, second grade; Susan Hood, Sandra Jackson, Linda Morris and James Conley, third grade; Nancy Harrington, Buddy Olsen and Josephine Young, fifth grade; Fred McKee, sixth grade; Carolyn Maxson and David Kautz, seventh grade; Amy Roell Young and Roy Goodson, eighth grade.

Awards for participation in Junior High athletics were presented by Coach James Threlkeld to Roy Goodson, James Veal, James Stacy, George Jackson, Roy Tucker, Paul Dixon, Mike Maxson, Curtis Stevens, James Goodson, Walter Young, Fred McKee, Walter Parker and Melvin Lamb, players; Peggy Turner, Velma Williams, Amy Roell Young, Connie Singletary and Gail Sears, cheer leaders.

## Judge R. O. Morrow 8th Grade Speaker

Fifteenth Judicial Circuit Judge Russell O. Morrow of Lake Worth will deliver the Junior High School graduation address this morning in Canal Point at nine o'clock. The ceremony will be held in the school auditorium and Judge Morrow will be introduced by County Commission Vice Chairman Paul Rardin with whom the judge served in the state legislature in Tallahassee more than 20 years ago.

School Trustee A. R. Harrington will introduce Mr. Rardin and School Board Member T. W. Knight will hand out the certificates. Principal W. W. White will be master of ceremonies. Music for the occasion will be furnished by Mrs. Billie Huddle, Rev. Charles D. Stewart of the Canal Point Baptist church will give the invocation and benediction.

The graduating class includes Charlotte Craton, Patricia Parker, Gail Sears, Joyce Sims, Constance Singletary, Peggy Turner, Velma Williams, Amy Roell Young, Paul Dixon, Roy Goodson, George Jackson, Michael Maxson, Eugene Stacy, Curtis Stevens, James Veal and Roy Tucker.

## Phillip Maxson To Become Acting P. M.

Phillip Maxson, pioneer resident of Canal Point and for years an insurance salesman and jewelry store manager, will become acting postmaster of Canal Point within the next few days, authoritative sources said yesterday.

Mr. Maxson will succeed the present postmaster, Osceola Upthegrove, who tendered his resignation several weeks ago to take effect at the convenience of the postal department officials.

## Police Training School Concluded

A two weeks FBI police training school was concluded in Pahokee last Friday after morning and night instruction courses had been given by members of the FBI. The courses were given at Pahokee City Hall.

The school was a joint effort on the part of the Pahokee and Belle Glade police departments. Charles Goodlett is the Belle Glade chief and Leon Guthrie serves in the same capacity in Pahokee.

Attendance at the courses varied from 18 to 29 and included sheriff deputies as well as members of the police department. Six instructors from the FBI assisted in the instruction work and one representative of the county solicitor's office also aided.

On Friday night the City of Pahokee tendered the workers and those who took the instruction a supper. Forty were in attendance.

### FSEA DIRECTOR

## School Groups In Glades-Wide Trips

Children of three of the school rooms at the Canal Point School enjoyed recent field trips with their room mothers and teachers acting as chaperones.

Mrs. Gladys Harrington's Seventh Grade group visited the Glades Office Building which serves as a branch courthouse for residents of the Glades area. Mrs. E. L. Pope acted as guide in the tour through the building. The children also visited the Everglades Experiment Station where Dr. Simon was guide and were spectators at a cattle sale at the Glades Livestock Market. At noon a picnic lunch was enjoyed in the Belle Glade City Park. Mrs. O. H. Sheppard and Mrs. O. R. Chastain, room mothers, accompanied the group.

Mrs. Mildred Larrick's Sixth Grade children visited the Clewiston sugar mill, the Shell Emporium at South Bay and Larrick's Photo Shop at Belle Glade. They were accompanied by Mrs. Fred McKee and Mrs. W. E. Johnson, room mothers.

Mrs. Charlotte Walston's Fifth Grade visited James Melton's Autorama following which they went to Phipps Park for a beach party and picnic. Mrs. W. C. Young and Mrs. Henry Allen, room mothers, accompanied them.

## Coffee Breaks At Pahokee Chamber

The executive board of the Pahokee Chamber of Commerce at the June Meeting held in the Civic Building Monday night made plans for a series of "coffee breaks" in which chamber members can gather together for a half hour of fellowship and exchange of ideas. O. R. Blech will be host at the first coffee break which will be held at Gant's Restaurant, 101 East Main St., Tuesday, June 9, from 10:00 to 10:30 a. m. All members of the chamber are invited to attend.

Carl Mindin, chairman of the merchant's committee, reported stores will be closed Wednesday afternoon through June, July and August.

It was reported that because of a lack of available funds the customary fireworks program probably will not be staged at Pahokee Harbor on Fourth of July this year. President Helen Hillier presided.

## Rote Ladies' Nite Is Grand Success

An unusual surprise awaited Rotarians and their Rotary-Anns at the annual Ladies' Night program held Wednesday night at the Community Building in Canal Point. The very agreeable surprise came in the way of the featured speaker of the evening—Mrs. Ruth Kerdyk of Coral Gables who gave a book review.

Whatever the guests were expecting in the way of a book review they were more than delighted with the wonderful manner in which Mrs. Kerdyk presented a review of "In Command of the Morning," a recent book by Pearl Buck. Establishing herself firmly in the person of the main character of the book, and proceeding to take various character parts, the speaker held the rapt attention of the 100 folks present for 63 minutes. At the conclusion of her entertaining efforts, Mrs. Kerdyk received a rousing ovation and Rotarians and Rotary-Anns were loud in their praise for the "finest entertainment of any Ladies' Night program."

President Bob Aplegren presented Mrs. Kerdyk who is a friend of the Aplegrens from University days at Miami, Mr. Kerdyk was present.

President-Elect H. D. Beck of the Belle Glade Rotary Club and Mrs. Beck, President-elect Paul Tillery of the Pahokee Lions club and Mrs. Tillery, outgoing President Robert Simonson of the Pahokee Lions Club and Mrs. Simonson were guests for the occasion. Mrs. Key served a delectable Southern fried chicken supper with all the trimmings. She was very ably assisted by Mrs. Price Burdeshaw.

Chester Batchelor gave the invocation and Dink Windham introduced the guests. Lee Shirley led the songs and R. O. Lampi was at the piano. Elmer Jones was in charge of arrangements for the evening.

## East Lake School Have High School

Thurmond W. Knight, School Board Member, announces that bids will be received for building the first phase of the East Lake High School in Pahokee on June 24th.

Plans call for three class rooms and one science laboratory and toilet facilities. East Lake has been an Elementary and Junior High School in Pahokee and the Board will add the tenth grade next year and plans to add the 11th and 12th the following school year.

This will give the Negro citizens of the north end of the Glades a complete school, with 12 grades. During the past year four classrooms and a field house were erected at this school center. There is a combination football-baseball field at East Lake, and plans are being made to furnish lights for this field.

Mr. and Mrs. Frank Friend has as recent guests her brother, W. A. Parsons of Knoxville, Tenn., and sister, Mrs. H. C. White of Savannah, Ga.

## Obscene Mail Is Given Tight Grip

Following up on his recent testimony urging stronger Federal anti-obscenity laws, Congressman Paul G. Rogers today introduced a measure implementing recommendations made by the Post Office Department for combating the nationwide network of mail order pornography.

In discussing his proposal, Mr. Rogers said: "This legislation is designed to hit filth merchants where it hurts the most—in their pocket-books. It permits the Postmaster General to issue orders directing local postmasters to detain mail addressed to persons suspected of violating Federal anti-obscenity statutes for a period of time sufficient to determine whether or not such detention is in the public interest. This time is extended from the present 20 to 45 days.

"To insure the constitutional rights of persons involved, this proposal allows redress to the Federal courts thus preventing arbitrary or capricious determinations by postal authorities.

"In the past, enforcement of Federal and State anti-obscenity statutes has been a hit and miss proposition at best. This has been due in large measure to the lack of some definitive standard of what constitutes obscenity. Because of this lack of an all embracing definition and fearful of violating the free speech guaranty of the Constitution, courts have been hesitant to

attach the pornographic label to offending matter.

"I feel that the approach embodied in this bill will successfully circumvent the obstacles of enforcement encountered in the past by enlarging the authority of our postal inspectors rather than attempting to arrive at a definition of obscenity broad enough to encompass all possible situations."

## READY FOR PAINT

The new school cafeteria in Canal Point being erected by Willy Tillis, Pahokee contractor, is nearing completion. Mr. Tillis said Wednesday. The building is now ready for the painters who will start work Monday morning.

## Pickett Firm Is Sold To E. E. Gross

Mrs. John T. Pickett announced that sale had been completed of her late husband's surveying practice to E. Elliott Gross of West Palm Beach, a long time personal friend of Mr. Pickett. Mr. Gross, engaged in business as E. Elliott Gross & Associates, will take over personal supervision of the Glades Office beginning June 3, 1959. Mrs. Pickett stated she was pleased that a person of Mr. Gross' high professional reputation had been selected as a successor to her late husband's practice.

Mr. Gross is a registered Civil Engineer and land surveyor of the State of Florida and has been engaged in such practice for the past 33 years in Palm Beach County, Florida. He maintains offices in West Palm Beach and Delray Beach, at the present time. He is not a stranger to the Glades, having worked for Florida Power & Light Company as an engineer during installation of the old Pahokee Power Plant. He also served as City Engineer of Clewiston, Florida, from 1940 to 1944, during which time they completed major changes in their water plant system.

Mr. Gross said that he will endeavor to carry on the former practice of Mr. Pickett in the same high standards of professional services as rendered by Mr. Pickett. He hopes to get to meet as many of the Glades people as possible in the next few months. He will temporarily continue to maintain his office at 637 S. E. First Avenue, Belle Glade.

## Patricia Maxson To Wed Will A. Nason

The marriage of Miss Patricia Ann Maxson and Will A. Nason will be solemnized at the Canal Point Methodist Church Saturday, June 13th, at 5:30 p. m. with the Rev. Robert Shelley officiating.

Miss Maxson has chosen as her attendants Mrs. Leon Stephens of Clewiston and Mrs. Philip Maxson of Canal Point. Mrs. William T. Gist will render the vocal selections accompanied by Mrs. Reynolds Montford, organist.

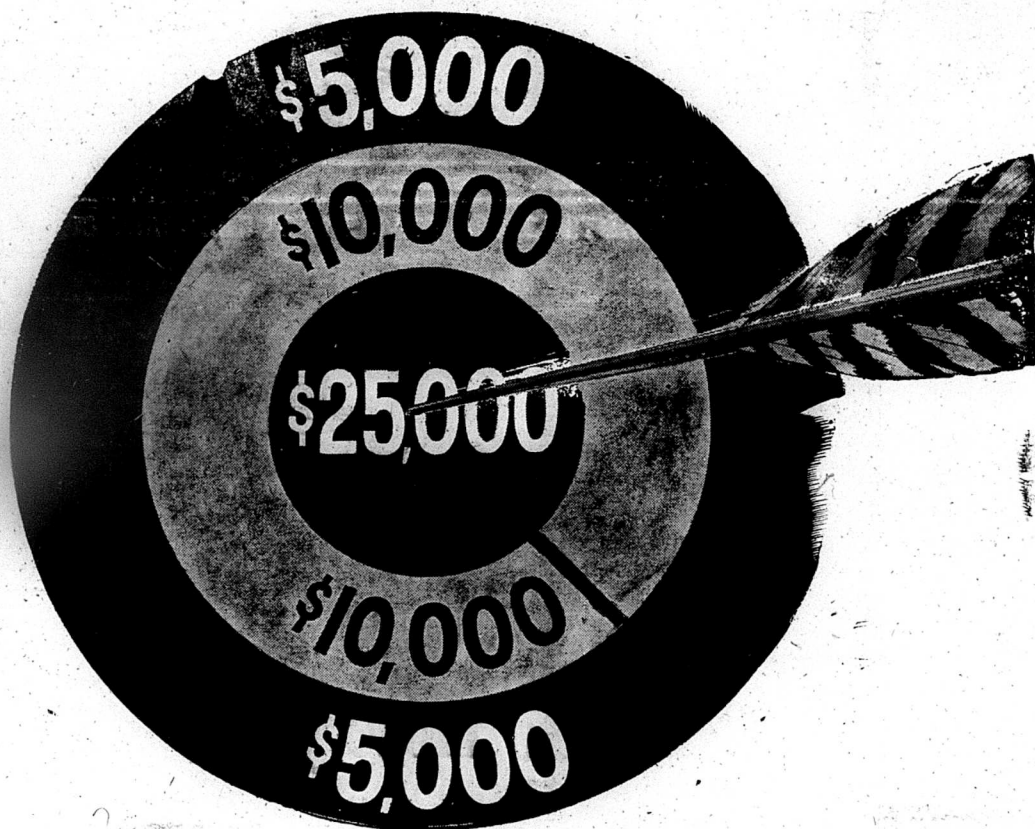

Mr. Nason has selected his brother, Richard Nason as best man. Bill Cochrane and Dr. F. H. Poteete will usher.

Following the ceremony a reception will be held at the home of the bride's parents, Mr. and Mrs. Earl Maxson in Canal Point. Friends of the couple are invited to attend.

## Reception Follows Wedding Saturday

Mr. and Mrs. J. L. McCall will be hosts at a lawn party and reception following the marriage of their daughter, Joyce McCall Wright, to Roberto L. Arrieta, son of Mr. and Mrs. Angel Arrieta, San Juan, Puerto Rico, at the McCall home north of Canal Point Saturday afternoon, June 6. The reception will begin at 6 p. m. All friends of the couple are invited.

## Pick your savings target and shoot straight for it!

A home... financial security... a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2063 in cash; in 10 years, \$4443.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 90 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

### Cuban Tourists Upsurge Is Seen

FT. LAUDERDALE—A Mackey Airlines executive predicts that Florida will get an upsurge in Cuban tourist business this summer because the Cuban government has limited its citizens to \$500 for vacation travel.

"Since they are limited to \$500, they can't go to Europe, which is a normal trend for the Cubans," said Henry Johnson, Mackey assistant vice president.

At the same time, Johnson predicted more Americans will be visiting Cuba. Johnson said American tourists are getting a friendly reception in Havana and the hotel and restaurant service is both economical and excellent.

### Fred E. Tiffin Dies Houston Hospital

Fred E. Tiffin, 69, former pastor of the Pahokee First Methodist Church, died May 28 at a hospital in Houston, Texas, after a week's illness according to word received by his sister, Mrs. Vena Mae Schroder of Pahokee.

The Rev. Tiffin first became pastor of the Pahokee Church in 1925 and served intermittently as head of the church for six years. Before he came to Pahokee he served as a Florida Methodist Conference evangelist.

Survivors include his wife, Ethel, Houston; four sons, Morris and Bobby of Houston, William and Wesley of Aberdeen, Miss.; three sisters, Mrs. Irene McQuig of Texas City, Mrs. Maude Murphy of Miami and Mrs. Schroder of Pahokee.

Burial was at Russellville, Ala.

### New Head Named Four Tourist Group

ST. AUGUSTINE—James A. Sherill of Rainbow Springs near Dunnellon is the new president of the Florida Attractions Association. He succeeds William B. Ray of Silver Springs.

Herbert J. Horn of Sarasota was named vice president during the annual meeting of the group which represents the leading tourist attractions of the state. Cecil Zinkan of Lightner Museum of Hobbes, St. Augustine, was reelected secretary and J. Carver Harris of the St. Augustine Historical Society, was named treasurer.

Association members, who make heavy use of billboards for advertising, voiced their objections to the federal plan which permits states outlawing billboards along interstate highways to get added road building funds. Enforcement of the law, they announced, may cost more than the federal money the state would get for taking the action.

The group met at Marine Studios, an attraction at Marineland near St. Augustine.

## Christian Science Group Of Canal Point

The scientific basis of spiritual healing will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "God the Only Cause and Creator."

Luke's account of the healing by Christ Jesus of the "man which had the withered hand" will be read, including this passage: "And looking round about upon them all, he said unto the men, Stretch forth thy hand. And he did so: and his hand was restored whole as the other" (Luke 6:10).

Correlative selections read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (313:23-26): "Jesus of Nazareth was the most scientific man that ever trod the globe. He plunged beneath the material surface of things, and found the spiritual cause."

The Golden Text is from Revelation (15:3): "Great and marvelous are thy works, Lord God Almighty; just and true are thy ways, thou King of saints."

## Mrs. Kennedy Names Committeemen

Mrs. Norman A. Kennedy, new president of the Pahokee Garden Club, has named as chairman of standing committees to serve through the coming year Mrs. Frank Friend, roadside development; Mrs. Curtis Chase, program; Mrs. M. M. Nicely, birds and conservation; Mrs. Lloyd Hundley, garden therapy; Mrs. C. L. Shirley, civic improvement; Mrs. C. M. Todd, communications; Mrs. J. M. Elliott, finance; Mrs. H. M. Regular meetings of the club have been discontinued until the opening of the fall season.

## Home From Four Weeks In Hawaii

Preston H. Dunkleleman, research agronomist and sugar cane breeder at the USDA Sugar Cane Field Station at Canal Point, has returned from a four-week official trip to Hawaii to attend the 10th Congress of the International Society of Sugar Cane Technologists. During the first three weeks of the Congress Mr. Dunkleleman, together with several hundred other delegates from the principal countries of the world where sugar cane is grown, traveled from island to island on field tours of the plantations.

## Betty Jo Bush Is Wed To H. L. Elder

Announcement has been made of the marriage of Miss Betty Jo Bush, daughter of Mrs. Arthur Powell Bush of Pahokee and the late Mr. Bush, to Harold L. Elder, son of Mr. and Mrs. J. L. Elder of Jacksonville.

The wedding took place at the Pahokee First Baptist Church Saturday, May 16, at 4 p. m., with the Rev. James E. Boyd, pastor, officiating. The Rev. James L. Merrill, Loxahatchee, furnished the nuptial music on the organ. Altar decorations featured white gladioli and mums with palms in the background.

The bride, given in marriage by her brother, J. J. Bush, wore an imported sheer white batiste shirtwaist and a skirt with double inserts of imported lace. The blouse had full-length sleeves and a Chanel neckline. Her shoulder-length veil of French illusion was attached to a Swedish crown of seed pearls.

Mrs. Roberta Boyce Nelson as matron of honor and the bride's only attendant wore a street-length dress of pale blue batiste with long sleeves, shirtwaist tucked bodice and bouffant skirt. A small cap covered with tiny blue flowers made up her headdress.

Following a wedding trip to Jamaica Mr. and Mrs. Elder are now at their home in Jacksonville.

## Sorority Officers Were Installed

New officers of the Xi Alpha Mu Chapter, Beta Sigma Phi Sorority, were installed at the final meeting of the season held at the home of Mrs. A. D. Beverly. Inducted by Mrs. E. J. Graham, installing officer, were Mrs. W. S. Plumer, president; Mrs. George Tucker, Jr., vice president; Mrs. Pope Sears, recording secretary; Mrs. Kyle Scott, corresponding secretary; Mrs. C. S. David, treasurer. Mrs. Plumer named as new chairmen of standing committees—Mrs. J. T. Boynton, program; Mrs. George Tucker, Jr., social; Mrs. Lewis Friend, ways and means; Mrs. A. D. Beverly, auditor-meter project; Mrs. Melvin Spooner, yearbook; Mrs. W. D. Howard, sunshine; Mrs. D. W. Cunningham, hospitality; Mrs. E. A. Jensen, scrapbook; Mrs. W. R. Wilson, yardstick, and Mrs. Rupert Mock, publicity.

## EGYPTIANS VISITS

Dr. Y. Aialy, sugar cane technologist from Cairo, Egypt, visited in Canal Point this week to view some of the work at the USDA Sugar Corps Field Station here while enroute home from Hawaii where he attended the 10th Congress of the International Society of Sugar Cane Technologists held the past month in Honolulu. Preston H. Dunkleleman, sugar cane breeder and agronomist at the Canal Point station, also attended the international meeting in Hawaii, returning last weekend.

## Adequate Money On Hand, Roberts

TALLAHASSEE — Palm Beach County Representative Emmett Roberts declared this week the \$27,500.00 Capital Outlay addition to the General Appropriations Bill will "adequately care for needed construction in our county."

Roberts classed the overall spending measure a distinct victory for "hold the line advocates," and said "I am happy to have supported this view. I honestly believe we can live within our income during the next biennium."

The Palm Beach Lawmaker reported that the joint Senate-House Conference Committee on spending finally approved \$50,000 in planning funds for Boca Raton University, and included capital outlay funds for the Glades Prison at Belle Glade.

Roberts declared his county delegation introduced over 90 local bills through the first eight weeks of the session, and declared those measures "require tremendous time."

He said the Palm Beach Delegation has devoted long hours to introduction of purely local bills and told his constituents "it will be necessary for the delegation to have some relief next session in the way of administrative assistance to screen local bills for errors."

Members of the Florida House have broken their 1957 record for bills introduced, by throwing a tremendous 2200 measures into the hopper to date.

Representative Roberts told reporters "I have personally answered some 2500 pieces of correspondence, and I have been happy to note this great interest in the Legislature by the voters of our county."

Roberts, who worked long hours for the Agricultural reorganization program, declared this measure and the final settlement of Reapportionment to be standstills in the 1959 Session.

He also cited the matters of holding the line on spending, and Legislative caution on racial matters as other outstanding activities so far this session.

## You Gotta Okeh Annexation Vote

A local bill providing a dual vote on annexation of property to the city of Pahokee was introduced by Reps. Ralph Blank and Emmett S. Roberts and became a law this week.

The bill provides that the city council must pass an ordinance outlining the area proposed for annexation. This must be advertised, and an election of freeholders, a majority of the freeholders (property owners who are registered to vote) in both the city and the area to be annexed must approve.

The votes would be tabulated separately and if disapproved either in the city or in the area to be annexed, the annexation would fail.

## Microwave Tubes To Be Made State

GAINESVILLE — Plans to expand production of Sperry microwave tubes for advanced radars and missiles have been announced by J. C. Brenner, vice president and works manager at Sperry Electronic Tube Division of Sperry Rand Corp.

More than \$2 million of special process equipment and automatic devices will be added. Plant space will be increased by 25 per cent which will also result in a 30 per cent increase in the number of employees to more than 800 by mid-1960.

"The expansion will bring into full production a new family of microwave amplifying devices in the form of high power traveling wave tubes which provide advanced countermeasures and techniques for more effective jamming of enemy radars and missile guidance systems," Mr. Brenner stated.

## Tourist Industry Told In New Book

TALLAHASSEE — A booklet just issued by the Florida Development Commission presents a picture of Florida's tourist industry and describes the likes and dislikes of visitors to the Sunshine State.

The booklet estimates the number of tourists who visited Florida during 1958 at about seven million and the amount of money spent at \$1,159,000,000. This figure was 13 per cent below the previous year, due to a cold, unseasonable winter.

On the credit side of the ledger is the fact that 50 per cent of those visiting Florida want to return to the state for another visit. Over 33 per cent of those surveyed also had complimentary things to say about the state.

Beaches and swimming were the main attractions, trailed by a general atmosphere of relaxation and fun, fishing, commercial attractions and natural scenery.

Heaviest weight of criticism directed at the state was centered on our rough roads and scenery-shielding road signs. Speed traps and the gruff attitude of enforcement officers from towns and counties were criticized. But the personnel of the State Highway Patrol received no complaints.

Most visitors selected the lower West Coast to visit, some 32 per cent of the total. The West Coast attracted 18 per cent while 18 per cent kept on the move.

## Turnpike Extension Gets Orlando Okeh

ORLANDO — The Central Florida Development Committee has publicly announced its backing of the extension of the Sunshine State Parkway to include Orlando.

Orlando financier L. B. McCleod has been chosen to head a committee which will push for the extension of Florida's turnpike into Central Florida. McCleod is a former road contractor and is familiar with dealing with the State Road Department and other government agencies. He was also responsible for the establishment of Orlando's Ben White Raceway, the nation's largest harness horse training center.

Success of the present turnpike running from Miami to Ft. Pierce, has revived talk of extending its length. Gov. LeRoy Collins and Turnpike Commission Chairman Thomas Manuel both are solidly behind the extension plans.

## Mrs. Downs Passes Away In Clewiston

Mrs. Lucille Downs, 62, a resident of Clewiston for 33 years, died at her home Saturday. She was a native of Dalton, Georgia. Mrs. Downs managed hotels in Clewiston and at Morehead City, N. C., including the Clewiston Inn, was in the restaurant business, and since 1955, had been associated with the Sports Shop in Clewiston.

She was a member of the Business and Professional Woman's Club and the Presbyterian Church. She is survived by a sister and five nephews and nieces.

Mrs. J. W. Ludlam and Mrs. Olaf Boe entertained at Mrs. Ludlam's home in Pahokee with a farewell party honoring Mrs. Joseph Barber, who recently resigned as surgical nurse at the Everglades Memorial Hospital and plans to leave soon with her husband for Texas where they will make their home. The hostesses were assisted by Mrs. R. M. Sanders in the serving of refreshments to approximately 30 guests.

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity.

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.45 cash. In 9 years, 6 months, you'll have \$7,217.30!

So don't let down payments get you down. Meet your needs for ready cash the way more than 3 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest or earned income, ask your bank about Series E Bonds, which pay dividends monthly by Treasury check.*

## Four Pahokee Scouts Receive High Scout Degree of Eagle

Four Scouts of Troop 628 in Pahokee recently received the high rank of Eagle at a "Court of Honor" held in Pahokee. The Scouts thusly honored are left to right: Robert Bee, son of Mr. and Mrs. Hugo "Boe" Hundley; John Hundley, son of Mr. and Mrs. Lloyd Hundley; Wayne Boynton, son of Mr. and Mrs. J. T. Boynton; Mike Watkins, son of Mr. and Mrs. D. B. Watkins.

## Swim Meet Goes To 7th Graders

A Pahokee High School intramural swim meet was held in the City Park pool Monday afternoon with both girls' and boys' teams in two divisions, Junior High and Senior High, participating.

The Seventh Grade team won first place in the boys' junior high competition and the Tenth Grade team was tops in the boys' senior high contests. Outstanding swimmers for the Seventh Graders were Harry Cunningham, Harold Peacock and Chuck Pell and for the Sophomores, Johnny Bacon, Thor Hatten and Morris Kennedy.

In the girls' junior high contests the Eighth Grade team won first place through virtue of the diving of Betty Jo Phillips and Barbara Childers as the other team did not have divers. The Tenth Grade team was winner in the girls' senior high contests, with Janet Upthegrove giving an outstanding performance on the diving board.

Coch. Web Fell supervised the contests for the boys and Mrs. Rita Sims for the girls. Cups were awarded the winners.

## TO MERCHANT MARINE

George McElhenney, Jr., valedictorian of the Pahokee High School Class of 1959, has qualified as principal candidate to enter the United States Merchant Marine Academy at King's Point, N. Y., to work for a commission in the Merchant Marine and an ensign in the Naval Reserve, according to Congressman Paul Rogers. He won the qualification on the basis of competitive examinations and has only to pass his physical examination to be accepted by the Academy. George was recommended to Congressman Rogers by County Commissioner Vice Chairman Paul Rardin of Canal Point.

## Rogers Questions Show Interest

Congressman Paul G. Rogers of Florida's Sixth Congressional District today announced the results of his annual poll of the district on questions pending before the congress.

In making the announcement today, Rogers said, "The returns on the Questionnaire this year are very gratifying, and indicate a real interest in government by thousands of our people. OVER 33,000 people took the time to answer the Questionnaire this year, an increase of 5,000 over last year's total of 28,000. I hope that all of the residents of the 6th District will continue to make their views available to me throughout the year."

## Small Cabbage Wanted By Buyer

Consumers, according to a study of buying habits at the place, want smaller - rather than larger - heads of cabbage.

One way to produce smaller cabbage heads, says the June issue of Florida Grower and Rancher, is to space the plants at special distances apart. This keeps the heads from growing too large.

Results of experiments so far show that maximum yields are ob-

tained when two square feet are allowed per plant. This means a distance of either 16 inches between plants in 18-inch rows or 12 inches between plants in 24-inch rows.

Mechanical problems, and the researchers, may arise in switching to the new spacing method. Thus row spacing may have to be determined by the adaptability of equipment such as transplanters, cultivators, sprayers, and tractors.
